Exhibit A – Quality Improvement Program Standards

1. DEFINITIONS

The following definitions shall apply to this agreement.

1.1. **Action** means the denial or limited authorization of a requested service, including the type or level of service; the reduction, suspension, or termination of a previously authorized service; the denial, in whole or in part, of payment of a service; or the failure to provide services or act in a timely manner as required herein (42 CFR 438.400(b)).

1.1.1. For a rural area resident with only one Managed Care Organization (MCO), action means the denial of an enrollee's request to obtain services outside the network:

1.1.1.1. From any other provider (in terms of training, experience, and specialization) not available within the network;

1.1.1.2. From a provider not part of the network that is the main source of a service to the enrollee – provided that the provider is given the same opportunity to become a participating provider as other similar providers. If the provider does not choose to join the network or does not meet the qualifications, the enrollee is given a choice of participating providers and is transitioned to a participating provider within 60 days;

1.1.1.3. Because the only provider available does not provide the service because of moral or religious objections;

1.1.1.4. Because the enrollee's provider determines that the enrollee needs related services that would subject the enrollee to unnecessary risk if received separately and not all related services are available within the network; or

1.1.1.5. Because the department determines that, other circumstances warrant out-of-network treatment.

1.2. **Advance Directive** means a written instruction, such as a living will or durable power of attorney for health care, recognized under the laws of the state of Washington, relating to the provision of health care when an individual is incapacitated (chapter 71.32 RCW, WAC 388-501-0125, 42 CFR 438.6, 42 CFR 438.10, 42 CFR 422.128, and 42 CFR 489 Subpart I).

- 2.9.1. **Voluntary Termination:** This program is a voluntary program. Receipt of Medicaid benefits is not contingent upon clients enrolling in the WMIP. Enrollees may request termination of enrollment at any time, without cause, by submitting a written request to terminate enrollment to DSHS or by calling the Medical Assistance Customer Service Center (MACSC) toll-free number. Except as provided in chapter 388-538 WAC, enrollees whose enrollment is terminated will be prospectively disenrolled. DSHS shall retroactively disenroll an enrollee only when the enrollee meets the requirements of WAC 388-538-130. DSHS shall notify the Contractor of enrollee termination. The Contractor may not request voluntary disenrollment on behalf of an enrollee.

If, at a later date, the eligible client decides to participate in the WMIP, s/he may re-enroll at any time if enrollment capacity allows, by calling the MACSC and requesting enrollment. DSHS shall then notify the Contractor that the eligible client has re-enrolled in the program effective the first of the following month. If an enrollee is disenrolled solely because he or she loses Medicaid eligibility, and the break in eligibility is two months or less, DSHS will automatically re-enroll the enrollee with the Contractor.

- 2.9.2. **Involuntary Termination Initiated by DSHS for Ineligibility:** If an enrollee becomes ineligible for this program, DSHS shall terminate his or her enrollment.

- 2.9.2.1. When an enrollee's enrollment is terminated for ineligibility, the termination shall be effective:

- 2.9.2.1.1. The first day of the month following the month in which the termination is processed by DSHS if the termination is processed on or before the DSHS cut-off date for enrollment or the Contractor is informed by DSHS of the termination prior to the first day of the month following the month in which the termination is processed by DSHS.

- 2.9.2.1.2. Effective the first day of the second month following the month in which the termination is processed if the termination is processed after the DSHS cut-off date for enrollment and the Contractor is not informed by DSHS of the termination prior to the first day of the month following the month in which the termination is processed by DSHS.

2.9.3. Involuntary Termination Initiated by DSHS for Comparable Coverage or Dual Coverage:

- 2.9.3.1. The Contractor shall notify DSHS as set forth below when an enrollee has health care insurance coverage with the Contractor or any other carrier:

- 2.9.3.1.1. Within fifteen (15) working days when an enrollee is verified as having dual coverage, as defined herein.

- 2.9.3.1.2. Within sixty (60) calendar days of when the Contractor becomes aware that an enrollee has any health care insurance coverage with any other insurance carrier. The Contractor is not responsible for the determination of comparable coverage, as defined herein.

- 2.9.3.2. DSHS will involuntarily terminate the enrollment of any enrollee with dual coverage or comparable coverage as follows:

- 2.9.3.2.1. When the enrollee has dual coverage that has been verified by DSHS, DSHS shall terminate enrollment retroactively to the beginning of the month of dual coverage and recoup premiums as described in Section 3.4. of this agreement.

- 2.9.3.2.2. When the enrollee has comparable coverage which has been verified by DSHS, DSHS shall terminate enrollment effective the first day of the second month following the month in which the termination is processed if the termination is processed on or before the DSHS cut-off date for enrollment or, effective the first day of the third month following the month in which the termination is processed if the termination is processed after the DSHS cut-off date for enrollment.

2.9.4. Involuntary Termination Initiated by the Contractor:

- 2.9.4.1. To request involuntary termination of an enrollee, the Contractor shall send written notice to DSHS as described in Section 7.4. Involuntary termination will occur only with written DSHS approval.

DSHS shall review each request on a case-by-case basis, and approve or disapprove the request for termination within thirty (30) working days of receipt of such notice. For the termination to be effective, DSHS must approve the termination request, notify the Contractor, and disenroll the enrollee. The Contractor shall continue to provide services to the enrollee until s/he is disenrolled.

DSHS will not disenroll an enrollee solely due to a request based on an adverse change in the enrollee's health status, because of the enrollee's utilization of medical services, or uncooperative or disruptive behavior resulting from his or her special needs or diminished mental capacity.

- 2.9.4.2. An enrollee whose enrollment is terminated for any reason, other than incarceration, at any time during the month is entitled to receive covered services, as described in Section 10.1 at the Contractor's expense, through the end of the month, unless the enrollee is hospitalized at disenrollment. In that case, the provisions of Section 3.6 apply.

2.10. Enrollment Not Discriminatory

- 2.10.1. The Contractor will not discriminate against enrollees or potential enrollees based on health status or need for health care services (42 CFR 438.6 (d) (3)).
- 2.10.2. The Contractor will not discriminate against enrollees or potential enrollees on the basis of race, color, or national origin, and will not use any policy or practice that has the effect of discriminating on the basis of race, color, or national origin (42 CFR 438.6 (d)(4)).

3. PAYMENT

- 3.1. **Rates/Premiums:** Subject to the provisions of Section 7.6, Sanctions, DSHS shall pay to the Contractor a monthly premium for each enrollee in full consideration of the work to be performed by the Contractor under this agreement. DSHS shall pay the Contractor, based on the enrollee's rate category, which shall be determined by DSHS. The payment shall be made no later than the 15th working day of the month based on the DSHS list of enrollees whose enrollment is ongoing or effective on the first day of said calendar month. Such payment will be denied for new enrollees when, and for so long as, payment for those enrollees is denied by the Centers for Medicare and Medicaid Services (CMS) under 42 CFR 438.726(b) and 42 CFR 438.730(e).

The Contractor shall reconcile the payment listing with remittance advice information and submit a claim to DSHS for any amount due the Contractor

within three hundred sixty five (365) calendar days of the month of service. When DSHS' records confirm the Contractor's claim, DSHS shall remit payment within thirty (30) calendar days of the receipt of the claim.

- 3.1.1. DSHS shall make a full monthly payment to the Contractor for the month in which an enrollee's enrollment is terminated except as otherwise provided herein.
- 3.1.2. The Contractor shall be responsible for covered services provided to the enrollee in any month for which DSHS paid the Contractor for the enrollee's care under the terms of this agreement.
- 3.2. **Renegotiation of Rates:** The base rate set forth herein shall be subject to renegotiation during the agreement period only if DSHS, in its sole judgment, determines that it is necessary due to a change in federal or state law or other material changes, beyond the Contractor's control, which would justify such a renegotiation.
- 3.3. **Reinsurance/Risk Protection:** The Contractor may obtain reinsurance for coverage of enrollees only to the extent that it obtains such reinsurance for other groups enrolled by the Contractor, provided that the Contractor remains ultimately liable to DSHS for the services rendered.
- 3.4. **Recoupments:** Unless mutually agreed to by the parties, DSHS shall only recoup premium payments for enrollees who are:
 - 3.4.1 Dually-covered with the Contractor.
 - 3.4.2 Deceased prior to the month of enrollment. Premium payments shall be recouped effective the first day of the month following the month in which the enrollee's death occurred.
 - 3.4.3 Retroactively disenrolled consistent with the provisions of WAC 388-538-130.
 - 3.4.4 Found ineligible for enrollment with the Contractor and DSHS so notifies the Contractor before the first day of the month for which the premium is paid.

The Contractor may recoup payments made to providers for services provided to enrollees during the period for which DSHS recoups premiums for those enrollees. If the Contractor recoups said payments, providers may submit appropriate claims for payment to DSHS through its Fee-For-Service program.

- 3.5. **Enrollee Hospitalized at Enrollment:**

- 3.5.1. If an enrollee is an inpatient at an acute care hospital at the time of initial enrollment in WMIP, and if he or she was not enrolled in WMIP on the day he or she was admitted to the hospital, then DSHS shall be responsible for payment of all inpatient facility and professional services provided from the date of admission until the date the enrollee is no longer an inpatient at the hospital.
- 3.5.2. If an enrollee is enrolled in WMIP on the day the enrollee was admitted to an acute care hospital, then the Contractor shall be responsible for payment of all inpatient facility and professional services provided from the date of admission until the date the enrollee is no longer confined to an acute care hospital.
- 3.6. **Enrollee Hospitalized at Disenrollment:** If an enrollee is in an acute care hospital at the time of disenrollment and the enrollee was enrolled with the Contractor on the date of admission, the Contractor shall be responsible for payment of all covered inpatient facility and professional services from the date of admission to the date the enrollee is no longer confined to an acute care hospital.
- 3.7. **Third-Party Liability (TPL):** Until such time as DSHS shall terminate the enrollment of an enrollee who has comparable coverage as described in Section 2.9.3., the services and benefits available under this agreement shall be secondary to any other medical coverage. Nothing in this Section negates any of the Contractor's responsibilities under this Contract, including, but not limited to, the requirement of Section 10.12, Prohibition on Enrollee Charges for Covered Services. The Contractor shall:
 - 3.7.1. Not refuse or reduce services provided under this agreement solely due to the existence of similar benefits provided under any other health care contract (RCW 48.21.200), except in accord with applicable coordination of benefits rules in chapter 284-51 WAC.
 - 3.7.2. Attempt to recover any third-party resources available to enrollees (42 CFR 433 Subpart D) and shall make all records pertaining to TPL collections for enrollees available for audit and review by DSHS.
 - 3.7.3. Pay claims for prenatal care and then seek reimbursement from third parties (42 CFR 433.139(b) (3)).

- 3.7.5. Communicate the requirements of this Section to subcontractors that provide services under the terms of this agreement, and assure compliance with them.

- 3.8. **Subrogation Rights of Third-Party Liability:** Injured person means an enrollee covered by this agreement who sustains bodily injury. Contractor's medical expense means the expense incurred by the Contractor for the care or treatment of the injury sustained computed in accord with the Contractor's fee-for-service schedule.

If an enrollee requires medical services from the Contractor as a result of an alleged act or omission by a third-party giving rise to a claim of legal liability against the third-party, the Contractor shall have the right to obtain recovery from the third-party its cost of providing benefits to the injured person.

DSHS specifically assigns to the Contractor the DSHS' rights to such third party payments for medical care provided to an enrollee on behalf of DSHS, which the enrollee assigned to DSHS as provided in WAC 388-505-0540.

DSHS also assigns to the Contractor its statutory lien under RCW 43.20B.060. The Contractor shall be subrogated to the DSHS' rights and remedies under RCW 74.09.180 and RCW 43.20B.040 through RCW 43.20B.070 with respect to medical benefits provided to enrollees on behalf of DSHS under chapter 74.09 RCW.

The Contractor may obtain a signed agreement from the enrollee in which the enrollee agrees to fully cooperate in effecting collection from persons causing the injury. The agreement may provide that if an injured party settles a claim without protecting the Contractor's interest, the injured party shall be liable to the Contractor for the full cost of medical services provided by the Contractor. The Contractor shall notify DSHS of the name, address, and other identifying information of any enrollee and the enrollee's attorney who settles a claim without protecting the Contractor's interest in contravention of RCW 43.20B.050.

This agreement may be extended by mutual agreement of the parties, at the discretion of DSHS and upon compliance by the Contractor with all Contract requirements.

- 9.2. **Termination for Convenience:** Either party may terminate upon one-hundred twenty (120) calendar days advance written notice, performance of work under this agreement in whole or in part, whenever, for any reason, either party shall determine that such termination is in its best interest.

- 9.2.1 In the event DSHS terminates this agreement for convenience, the Contractor shall have the right to assert a claim for the Contractor's direct termination costs. Such claim must be:
 - 9.2.1.1 Delivered to DSHS as provided in Section 7.4, Notices.
 - 9.2.1.2 Asserted within ninety (90) calendar days of termination for convenience, or, in the event the termination was originally issued under the provisions of Section 9.4, Termination by DSHS for Default, ninety (90) calendar days from the date the notice of termination was deemed to have been issued under this Section. The Department of Social and Health Services (DSHS) may extend said ninety (90) calendar days if the Contractor makes a written request to DSHS and DSHS deems the grounds for the request to be reasonable. DSHS will evaluate the claim for termination costs and either pay the claim or such amount as is deemed valid, or deny the claim. DSHS shall notify the Contractor of the decision within sixty (60) calendar days of receipt of the claim.
 - 9.2.1.3 In the event the Contractor terminates this agreement for convenience, DSHS shall have the right to assert a claim for its direct termination costs. Such claim must be:

 - 9.2.1.3.2 Asserted within ninety (90) calendar days of the date of termination for convenience. The Contractor may extend said ninety (90) calendar days if DSHS makes a written request to the Contractor and the Contractor deems the grounds for the request to be reasonable. DSHS financial staff shall evaluate the claim for termination costs and order the Contractor to pay the claim for such amount as is deemed valid by DSHS financial staff, or deny the claim.
 - 9.2.1.3.3 In the event the Contractor or DSHS disagrees with the decision entered pursuant to this Section, the Contractor or DSHS shall have the right to a dispute resolution as described in Section 7.22, Disputes.
 - 9.2.1.3.4 In no event shall the claim for termination costs exceed the average monthly amount paid to the Contractor for the twelve (12) months immediately prior to termination.
 - 9.2.1.3.5 In addition to DSHS' or the Contractor's direct termination costs, the contractor or DSHS shall be liable for administrative costs

incurred by the other party in procuring supplies or services similar to and/or replacing those terminated.

9.2.1.3.6 The Contractor or DSHS shall not be liable for any termination costs if it notifies the other party of its intent not to renew this agreement at least one hundred twenty (120) calendar days prior to the renewal date.

9.3. **Termination by the Contractor for Default:** The Contractor may terminate this agreement whenever DSHS shall default in performance of this agreement and shall fail to cure such default within a period of one hundred twenty (120) calendar days (or such longer period as the Contractor may allow) after receipt from the Contractor of a written notice specifying the default. In the event it is determined that DSHS was not in default, DSHS may claim damages for wrongful termination through the dispute resolution provisions of this agreement or by a court of competent jurisdiction. The procedure for determining damages shall be as stated in Section 9.2.

9.4. **Termination by DSHS for Default:** The Contract Administrator may terminate this agreement whenever the Contractor shall default in performance of this agreement and fails to cure such default within a period of one hundred twenty (120) calendar days (or such longer period as the Contracts Administrator may allow) after receipt from the Contracts Administrator of a written notice specifying the default. Such termination shall be referred to herein as "Termination for Default."

9.4.1. If after notice of termination of this agreement for default it is determined by DSHS or a court of law that the Contractor was not in default or that the Contractor's failure to perform or make progress in performance was due to causes beyond the control and without the error or negligence of the Contractor, or any subcontractor, the Contractor may claim damages. The procedure for determining damages shall be as described in Section 9.2.

9.4.2. In the event DSHS terminates this Contract as provided in 9.4 above, DSHS may procure, upon such terms and in such manner as the Contracts Administrator may deem appropriate, supplies or services similar to those terminated, and if the Contractor is judged to be in default by a court of law, DSHS damages shall be measured by any excess costs for such similar supplies or services. In addition, DSHS'

damages may also include reasonable administrative costs incurred in procuring such similar supplies or services.

9.5. **Mandatory Termination:** DSHS shall terminate this agreement in the event that the Secretary of the Department of Health and Human Services determines that the Contractor does not meet the requirements for participation in the Medicaid program pursuant to federal law.

9.5.1. In addition, DSHS is required under federal law to either impose temporary management or terminate this agreement if the Contractor is repeatedly found to not meet federal requirements for Managed Care Organizations, as specified in Section 1903(m) of the Social Security Act. Should this circumstance arise, DSHS shall terminate this agreement consistent with Section 9.4, Termination by DSHS for Default.

9.6. **Termination Due to Change in Funding:** If the funds DSHS relied upon to establish this agreement are withdrawn or reduce, or if additional or modified conditions are place on such funding, DSHS may immediately terminate this agreement by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice.

Except as otherwise specifically provided in this agreement, the Contractor shall provide covered services in the amount, duration and scope described in the Washington State Medicaid Plan and all its amendments.

Except as specifically provided in Section 10.17, this Section shall not be construed to prevent the Contractor from establishing utilization control measures as it deems necessary to assure that services are appropriately utilized, provided that utilization control measures do not deny medically necessary covered services to enrollees. The Contractor may limit coverage of services to participating providers except as specifically provided in Section 4, Access and Capacity, Section 11, Schedule of Benefits, for emergency services, and as necessary to provide medically necessary services as described in this agreement.

The contractor is responsible for covering services relating to the prevention, diagnosis, and treatment of health impairments, when those services are

The Contractor may require pre-authorization for non-emergency services as long as the wait times specified in Sections 4.6, 4.7, and 4.8 are not exceeded. The Contractor is not required to cover non-symptomatic (i.e., preventive care) out of the service area. When an enrollee moves out of a service area, or is temporarily outside the service area, coverage shall be limited to ninety (90) calendar days beginning with the first of the month following the month in which the enrollee leaves the service area. 10.15. Experimental and Investigational Services:

- 10.15.1. - 10.15.2. Criteria to determine whether a service is experimental or investigational shall be no more stringent for WMIP enrollees than that applied to any other enrollees. A service or treatment that is not experimental for one enrollee with a particular medical condition cannot be determined to be experimental for another enrollee with the same medical condition and similar health status.
- 10.15.3. A service or treatment may not be determined to be experimental and investigational solely because it is under clinical investigation when there is sufficient evidence in peer-reviewed medical literature to draw conclusions, and the evidence indicates the service or treatment will probably be of significant benefit to enrollees.
- 10.15.4. A determination made by the Contractor shall be subject to appeal through the Contractor's appeal process, including independent review, through the DSHS fair hearing process and independent review under WAC 246-305.

 - 10.16.3.6. Each enrollee must be free to exercise their rights, and exercise of those rights must not adversely affect the way the Contractor or its subcontractors treat the enrollee (42 CFR 438.100(c)).
- 10.17. **Authorization of Services:** In regard to the authorization of services for enrollees, the Contractor shall have in place written policies and procedures, and shall require that subcontractors with delegated authority for authorization to comply with such policies and procedures, that comply with 42 CFR 438.210, WAC 388-538 and the provisions of this Contract. The notice shall meet the following requirements, except that the notice to the provider need not be in writing (42 CFR 438.404):

10.17.4.1. The notice to the enrollee shall be in writing and shall meet the requirements of Section 4.10 of this Contract to ensure ease of understanding.

10.17.4.2. The notice shall explain the following:

10.17.5.2. For termination, suspension, or reduction of previously authorized services, ten (10) calendar days prior to such termination, suspension, or reduction, except if the criteria stated in 42 CFR 431.213 and 431.214 are met. The notice shall be mailed within this ten (10) calendar day period by a method that certifies receipt and assures delivery within three (3) calendar days.

10.17.5.3. For standard authorization decisions, provide notice as expeditiously as the enrollee's health condition requires and within timeframes that may not exceed 14 calendar days following receipt of the request for service, with a possible extension of up to 14 additional calendar days under the following circumstances:

10.17.5.3.1. The enrollee, or the provider, requests extension; or

10.17.5.3.2. The Contractor justifies and documents a need for additional information and how the extension is in the enrollee's interest.

10.17.5.3.3. If the Contractor extends that timeframe, it shall:

10.17.5.3.3.1. Give the enrollee written notice of the reason for the decision to extend the timeframe and inform the enrollee of the right to file a grievance if he or she disagrees with that decision; and

10.17.5.3.3.2. Issue and carry out its determination as expeditiously as the enrollee's health condition requires and no later than the date the extension expires.

10.17.5.4. For cases in which a provider indicates, or the Contractor determines, that following the timeframe for standard authorization decisions could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or regain maximum function, the Contractor shall make an expedited authorization decision and provide notice as expeditiously as the enrollee's health condition requires and no later than three (3) working days after receipt of the request for service. The Contractor may extend the three (3) working days by up to 14 calendar days under the following circumstances:

- 10.18.6. **Grievance Process:** The following requirements are specific to the grievance process:

- 10.18.7. **Appeal Process:** The following requirements are specific to the appeal process:
 - 10.18.7.1. If the Contractor fails to meet the timeframes in this Section concerning any appeal, including timely notice of actions, the

- 10.18.7.3. For appeals of standard service authorization decisions, an enrollee must file an appeal, either orally or in writing, within ninety (90) calendar days of the date on the Contractor's notice of action. This also applies to an enrollee's request for an expedited appeal.
- 10.18.7.4. For appeals for termination, suspension, or reduction of previously authorized services when the enrollee requests continuation of such services, an enrollee must file an appeal within ten (10) calendar days of the date of the Contractor's mailing of the notice of action. If the enrollee is notified in a timely manner and the enrollee's request for continuation of services is not timely, the Contractor is not obligated to continue services and the timeframes for appeals of standard service authorization apply.
- 10.18.7.5. Oral inquiries seeking to appeal an action shall be treated as appeals and be confirmed in writing, unless the enrollee or provider requests an expedited resolution.
- 10.18.7.6. The appeal process shall provide the enrollee a reasonable opportunity to present evidence, and allegations of fact or law, in person as well as in writing. The Contractor shall inform the enrollee of the limited time available for this in the case of expedited resolution.
- 10.18.7.7. The appeal process shall provide the enrollee and the enrollee's representative opportunity, before and during the appeals process, to examine the enrollee's case file, including medical records, and any other documents and records considered during the appeal process.
- 10.18.7.8. The appeal process shall include as parties to the appeal, the enrollee and the enrollee's representative, or the legal representative of the deceased enrollee's estate.

10.18.7.10. The notice of the resolution of the appeal shall:

10.18.7.10.1. Be in writing. For notice of an expedited resolution, the Contractor shall also make reasonable efforts to provide oral notice.

10.18.7.10.2. Include the results of the resolution process and the date it was completed.

10.18.7.10.3. For appeals not resolved wholly in favor of the enrollee:

10.18.7.10.3.1. Include information on the enrollee's right to request a DSHS fair hearing and how to do so.

10.18.7.10.3.3. Inform the enrollee that the enrollee may be held liable for the amount the Contractor pays for services received while the hearing is pending, if the hearing decision upholds the Contractor's action.

10.18.8. Expedited Appeal Process:

10.18.8.1. The Contractor shall establish and maintain an expedited appeal review process for appeals when the Contractor determines, for a request from the enrollee, or the provider indicates, in making the request on the enrollee's behalf or supporting the enrollee's request, that taking the time for a standard resolution could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or regain maximum function.

- 10.18.8.2. The Contractor shall inform the enrollee of the limited time available for the enrollee to present evidence and allegations in fact or law, in person and in writing, in the case of expedited resolution.
- 10.18.8.3. The Contractor shall make a decision on the enrollee's request for expedited appeal and provide notice, as expeditiously as the enrollee's health condition requires, within three (3) calendar days after the Contractor receives the appeal. The Contractor shall also make reasonable efforts to provide oral notice.
- 10.18.8.4. The Contractor shall ensure that punitive action is neither taken against a provider who requests an expedited resolution or supports an enrollee's appeal.
- 10.18.8.5. If the Contractor denies a request for expedited resolution of an appeal, it shall transfer the appeal to the timeframe for standard resolution and make reasonable efforts to give the enrollee prompt oral notice of the denial, and follow up within two (2) calendar days with a written notice.

10.18.9. Fair Hearings:

- 10.18.9.1. A provider may not request a state fair hearing on behalf of an enrollee.
- 10.18.9.2. The parties to the State Fair Hearing include DSHS, the Contractor and the enrollee and his or her representative, or the representative of a deceased enrollee's estate.

If the enrollee is notified in a timely manner and the enrollee's request for continuation of services is not timely, the Contractor is not obligated to

continue services and the timeframes for appeals of standard service authorization apply.

- 10.18.9.4. If the enrollee requests a fair hearing, the Contractor shall provide to DSHS upon request and within three (3) working days, all Contractor-held documentation related to the appeal, including but not limited to, any transcript(s), records, or written decision(s) from participating providers or delegated entities.

- 10.18.9.8. DSHS will notify the Contractor of fair hearing determinations. The Contractor will be bound by the fair hearing determination, whether or not the fair hearing determination upholds the Contractor's decision. Implementation of such fair hearing decision shall not be the basis for disenrollment of the enrollee by the Contractor.
- 10.18.9.9. If the fair hearing decision is not within the purview of this, then DSHS will be responsible for the implementation of the fair hearing decision.
- 10.18.10. **Expedited Fair Hearing:** The state must reach a decision on an expedited request if the appeal was heard first through the Contractor's appeal process: within three (3) working days from DSHS receipt of a hearing request for a denial of a service that:

 - 10.18.10.2. Was resolved wholly or partially adversely to the enrollee using the Contractor's expedited appeal timeframes.
- 10.19. **Independent Review:** After exhausting both the Contractor's appeal process and the fair hearing process an enrollee has a right to independent review in accord with RCW 48.43.535 and WAC 284-43-630.

- 10.19.1. An enrollee who is aggrieved by the final decision of an independent review may appeal the decision to the DSHS Board of Appeals in accord with WAC 388-02-560 through 388-02-590. Notice of this right will be included in the written determination from the Contractor or Independent Review Organization.

10.20. Continuation of Services:

- 10.20.1. The Contractor shall continue the enrollee's services if all of the following apply:
 - 10.20.1.1. The enrollee or the provider files for an appeal, fair hearing or independent review on or before the later of the following:
 - 10.20.1.1.1. Within ten (10) calendar days of the Contractor mailing the notice of action, which for actions involving services previously authorized, shall be delivered by a method that certifies receipt and assures delivery within three (3) calendar days.

10.20.2.5. The time period or service limits of a previously authorized service has been met.

10.20.3. If the final resolution of the appeal upholds the Contractor's action, the Contractor may recover the amount paid for the services provided to the enrollee while the appeal was pending, to the extent that they were provided solely because of the requirement for continuation of services.

10.21. Effect of Reversed Resolutions of Appeals and Fair Hearings:

10.21.1. If the Contractor, DSHS, the Office of Administrative Hearings (OAH), the independent review organization (IRO) or the DSHS Board of Appeals reverses a decision to deny, limit, or delay services that were not provided while the appeal was pending, the Contractor shall authorize or provide the disputed services promptly, and as expeditiously as the enrollee's health condition requires.

10.21.2. If the Contractor, OAH, IRO or DSHS Board of Appeals reverses a decision to deny authorization of services, and the enrollee received the disputed services while the appeal was pending, the Contractor shall pay for those services.

11. SCHEDULE OF BENEFITS

11.1. Covered Services:

11.1.1. The Contractor shall cover the services described in this section when medically necessary. The amount and duration of covered services that are medically necessary depends on the enrollee's condition. The Contractor shall ensure that the services are sufficient in amount, duration or scope to reasonably be expected to achieve the purpose for which the services are furnished, and shall not arbitrarily deny or

reduce the amount, duration or scope of required services solely because of the enrollee's diagnosis, type of illness or condition.

- 11.1.2. Except as specifically provided herein, the scope of covered services shall be comparable to the DSHS Medicaid fee-for-service program. For specific covered services, this shall not be construed as requiring the Contractor to cover the specific items covered by DSHS under its fee-for-service program, but shall rather be construed to require the Contractor to cover the same scope of services.

- 11.2. **Care Coordination:** The Contractor shall provide Care Coordination services that ensure access to and integration of preventive, primary, acute, post acute, outpatient mental health and chemical dependency into a well coordinated system. The Contractor shall ensure that the assessment takes place within thirty (30) days of the initial screening. The assessment will include medical, social and environmental, mental health and chemical dependency factors and will determine whether the enrollee should be referred for specific services. The assessment will also identify any ongoing special conditions of the enrollee that require a course of treatment or regular care monitoring.

If the enrollee is determined to need services covered by this contract, the Contractor shall ensure coordination of the referral to the appropriate service. If the service is covered by DSHS on a fee for service basis, the Contractor shall coordinate with appropriate service providers to ensure the enrollee receives the needed service. The Contractor shall coordinate this assessment with required assessments done by DSHS staff. If the Contractor is unable to conduct the screening, the Contractor shall document efforts to do so in the enrollee's file.

The care plan shall incorporate an interdisciplinary/holistic and preventive focus, address any barriers to care, accommodate the specific cultural and linguistic needs of the enrollee, and include advance directive planning and enrollee participation. The Contractor shall ensure that the enrollee's plan is updated based on ongoing assessment or information received by a DSHS case manager or one of the enrollee's providers.
- 11.2.2.4. Have authority to approve referrals and requests for services and equipment within the care plan;

- 11.2.2.5.
